Enjoy benefits from Our nebulizer.

We are well aware that the health of the respiratory system is very important, especially for people with breathing problems. This is why our team is committed to researching better nebulizer. Our portable nebulizer has 2800 micro-holes, stable chip control and three adjustable modes to provide you with a soothing mist. Effectively release discomfort and help you breathe freely anytime, anywhere.

Atomization is fast, 0.2ml/min

The liquid particle diameter is $3\mu\text{m} - 4\mu\text{m}$, and the atomization rate is $\geq 0.2\text{ml/min}$, which can meet the requirements of the inhalation particle diameter and reduce the atomization waiting time.

User-friendly design and a full range of accessories.

The nebulizer has three light reminders which allows you to view the current operating mode. The one-button disassembly design and self-cleaning mode are convenient for daily cleaning. Accessories are provided for children and adults. 360-degree use enabled for any positions: lying or sitting down, especially for children when they feeling weak.

Operation Process

Your trustworthy nebulizer.

We committed to provide high efficient, fast, and easy-use nebulization for everyone. We serve the concept of becoming the guardian of everyone's health, and bring a healthy respiratory system to you and your family.

Dyspnea

With this nebulizer it can help you to ease breathing difficulties

When considering a specific nebulizer, it's important to consult with a healthcare professional to ensure its suitability for your specific respiratory condition. They can provide guidance on proper usage and offer recommendations for the appropriate medication to use with the nebulizer.
