

15Mins 1.2ATA Hyperbaric Oxygen Chamber for Medical Rehabilitation

Our Product Introduction

For more products please visit us on oxygenconcentratormedical.com

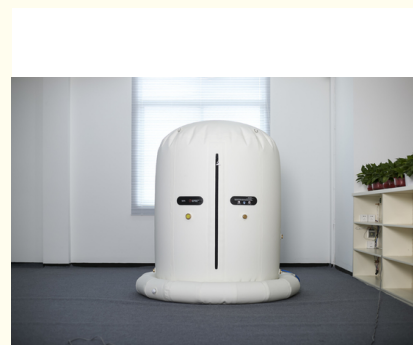

Basic Information

- Place of Origin: SHENZHEN EMENG HEALTH
- Brand Name: O2EMENG
- Certification: CE/FDA/FC/ROHS/UKCA/SGS
- Model Number: EMS02
- Minimum Order Quantity: 1PC
- Price: \$2650
- Packaging Details: wooden packing
- Delivery Time: 15-20 work days
- Payment Terms: D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100PCS

Product Specification

- Noise Level: Less Than 63 DB
- Machine CTN Size: 52*34*65cm
- Working Pressure: 1.2ATA
- Pressure Reduction Time: 15Mins
- Function: Hyperbaric Oxygen Therapy
- Model: EMS02
- Usage: Medical/Therapeutic
- Properties: Rehabilitation Therapy Supplies
- Oxygen Concentration: $\geq 90\%$ (can Be Set)
- Highlight: 1.2ata hyperbaric oxygen chamber, 1.2ata oxygen hyperbaric chamber, medical hyperbaric oxygen chamber

Product Description

O2EMENG 15Mins 1.2ATA Hyperbaric Oxygen Chamber for Medical Rehabilitation

Product Description:

The EMS02 model is O2EMENG's flagship product, integrating advanced technology designed to provide the best user experience. Its new hyperbaric oxygen equipment is an intelligent all-in-one machine that combines oxygen equipment, aerodynamic system and air cooler, easily operated by one button, saving time and labor. It is widely used in healthcare, home as well as beauty salons.

O2EMENG Hyperbaric Oxygen Chamber adopts advanced technology and design, which can ensure the safety during the treatment process. Meanwhile, hyperbaric oxygen therapy, as a non-invasive physical therapy method, has significant therapeutic effects. Compared with other treatment methods, hyperbaric oxygen therapy may have lower cost and higher cost-effectiveness. O2EMENG hyperbaric oxygen chamber may further reduce the cost of use and improve the economic benefits by optimizing the design and production process. At the same time, this oxygen chamber is suitable for people who are easy to be fatigued, work late at night and overtime, insomnia patients, ambiguous skin care people, and sub-healthy people, etc. It can increase the oxygen in the body, blood oxygen saturation, and the diffusion distance of oxygen in the body.

All in all, our hyperbaric chamber is a top-quality product with excellent performance and reliability. Its compact size allows it to be installed in many medical facilities without taking up too much space. It is an essential piece of equipment for any hospital or clinic that provides high-quality rehabilitation therapy supplies. It produces at least 90% oxygen concentration and is one of the best hyperbaric chambers on the market for a great experience. Buy it today and experience the benefits of hyperbaric oxygen therapy.

Applications:

This hyperbaric pressure chamber is suitable for a variety of occasions and scenarios, including:

Sports medicine: Athletes may use the hyperbaric oxygen chamber to recover from injuries or improve their endurance.

Wound healing: Hyperbaric oxygen therapy can help speed up the healing process for wounds, including diabetic ulcers and burns.

Anti-aging: The increased oxygen levels in the body can help improve skin health and reduce the signs of aging.

Neurological conditions: Hyperbaric oxygen therapy may benefit individuals with conditions such as stroke, traumatic brain injury, and multiple sclerosis.

Cancer treatment: Some cancer patients may use hyperbaric oxygen therapy to reduce the side effects of radiation therapy.

Diving accidents: Divers who suffer from decompression sickness may benefit from hyperbaric oxygen therapy.

The O2EMENG EMS02 Hyperbaric Oxygen Chamber has a working pressure of 1.2ATA, which allows for a safe and effective hyperbaric oxygen therapy session. Whether it's for medical or wellness purposes, this hyperbaric pressure chamber can provide a range of benefits.

Reasons to choose us:

1. Professionalism and authority:

As a manufacturer or brand of hyperbaric chamber, O2EMENG has rich industry experience and technology accumulation, and can provide professional and reliable hyperbaric oxygen therapy equipment.

Its products may have undergone stringent quality control and certification and comply with relevant industry standards to ensure safety and effectiveness in use.

2. Technological advancement:

O2EMENG hyperbaric chambers may adopt the latest technology and design concepts, such as air pressurization or pure oxygen pressurization technology, as well as advanced air supply and exhaust (oxygen) systems, air conditioning systems and control systems. These technologies can ensure that the human body can safely and effectively inhale a high concentration of oxygen in a high-pressure environment for therapeutic purposes.

3. User feedback and reputation:

When choosing hyperbaric chambers, user feedback and reputation are also important reference factors, and O2EMENG hyperbaric chambers may be widely praised for their good treatment effect and user experience.

Support and Services:

The Hyperbaric Oxygen Chamber product comes with comprehensive technical support and services to ensure that you get the most out of your investment. Our team of experienced technicians and engineers are available to provide support and assistance whenever you need it.

Our technical support services include:

1. Demand customization: according to your use environment and expectations, recommend the optimal core products and life aesthetics composition scheme.

2.Exclusive design: the advanced technology team and the top design team jointly, from the size and color material matching, the actual program customization landing.

3. Craftsmanship Manufacturing: The core components and other materials of hyperbaric chamber series products are manufactured in aerospace material factories.

4. Lifetime maintenance: provide perfect professional after-sales service guarantee

At Hyperbaric Oxygen Chamber, we are committed to providing the highest level of support and service to our customers. Contact us today to learn more about our technical support and services.

The Use of Hyperbaric Oxygen Chamber

Always prepare at home, say goodbye to sub-health
