

# Hyperbaric Oxygen Therapy Function Hyperbaric Chamber for Rehabilitation Therapy Supplies

Our Product Introduction

For products please visit us on [oxygenconcentratormedical.com](http://oxygenconcentratormedical.com)

## Basic Information

- Place of Origin: SHENZHEN EMENG HEALTH
- Brand Name: O2EMENG
- Certification: CE/FDA/FC/ROHS/UKCA/SGS
- Model Number: EMS03
- Minimum Order Quantity: 1PC
- Price: \$2350
- Packaging Details: wooden packing
- Delivery Time: 15-20 work days
- Payment Terms: D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100PCS

## Product Specification

- Properties: Rehabilitation Therapy Supplies
- Machine CTN Size: 52\*34\*65cm
- Oxygen Concentration: ≥90%(can Be Set)
- Noise Level: Less Than 63 DB
- Function: Hyperbaric Oxygen Therapy
- Usage: Medical/Therapeutic
- Pressure Reduction Time: 15Mins
- Total Weight: 52kgs
- Pressure Formula Air Size: 1 Person
- Working Pressure: 1.3ATA
- Highlight: 52kgs hyperbaric oxygen chamber, 50kgs hyperbaric oxygen therapy

## Product Description

### O2EMENG Hyperbaric Oxygen Therapy Function Hyperbaric Chamber for Rehabilitation Therapy Supplies

#### Product Description:

The Hyperbaric Oxygen Chamber is an innovative product that utilizes the concept of hyperbaric oxygen therapy. It is a treatment that involves the inhalation of pure oxygen in a pressurized environment. This process can help improve blood circulation and oxygenation of tissues, which can promote healing and recovery.

The Hyperbaric Chamber is equipped with various features that make it an excellent product for individuals seeking to improve their health. It has a high oxygen concentration of at least 90%, which can be set according to the user's preferences. This feature ensures that the user receives the optimal amount of oxygen during therapy.

This product is also portable and can be easily transported to different locations. The portable hyperbaric chamber is an excellent feature for those who travel frequently and require a portable hyperbaric chamber that can be used in different locations.

The Hyperbaric Oxygen Chamber is an excellent product for individuals who require rehabilitation therapy supplies. It is designed to provide a safe and effective therapy that can help improve blood circulation and oxygenation of tissues.

The Hyperbaric Chamber is easy to use and requires minimal maintenance. It is an excellent investment for those seeking to improve their health and wellbeing.

Overall, the Hyperbaric Oxygen Chamber is an innovative and essential product for individuals seeking to improve their health. It is a portable hyperbaric chamber that can be used in different locations and is designed to provide a safe and effective therapy. Its high oxygen concentration and easy-to-use design make it an excellent investment for rehabilitation therapy supplies.

#### Applications:

Hyperbaric Oxygen Therapy (HBOT) is a well-known treatment for various medical conditions. The EMS03 model is specifically designed to provide a comfortable and effective therapy experience. It is a compression chamber for hyperbaric oxygen therapy that can safely and effectively deliver 100% pure oxygen to patients.

The O2EMENG EMS03 Hyperbaric Oxygen Chamber is suitable for a wide range of medical conditions, including but not limited to:

- Non-healing wounds and ulcers
- Burn injuries
- Carbon monoxide poisoning
- Crush injuries and compartment syndrome
- Decompression sickness
- Gas gangrene
- Infections
- Multiple sclerosis
- Stroke
- Autism
- And many more

The O2EMENG EMS03 Hyperbaric Oxygen Chamber is a high-quality medical device with a total weight of 52kgs and a machine CTN size of 52\*34\*65cm. It is designed to be user-friendly, with easy-to-use controls, and has a noise level of less than 63 DB, ensuring a comfortable and quiet therapy experience.

Overall, the O2EMENG EMS03 Hyperbaric Oxygen Chamber is a top choice for anyone in need of hyperbaric oxygen therapy. Whether you are a patient or a healthcare professional, this HBOT chamber is sure to exceed your expectations in terms of quality, functionality, and ease of use.

#### Support and Services:

The Hyperbaric Oxygen Chamber product comes with comprehensive technical support and services to ensure that customers have a seamless experience with our product. Our technical support team is available to assist with any queries or issues that may arise during installation, setup, or usage of the product. We also provide regular maintenance and repair services to keep the product in optimal

condition and extend its lifespan. Our services include:

**1.Demand customization:** according to your use environment and expectations, recommend the optimal core products and life aesthetics composition scheme.

**2.Exclusive design:** the advanced technology team and the top design team jointly, from the size and color material matching, the actual program customization landing.

**3. Craftsmanship Manufacturing:** The core components and other materials of hyperbaric chamber series products are manufactured in aerospace material factories.

**4. Lifetime maintenance:** provide perfect professional after-sales service guarantee

We are committed to providing the highest level of support and services to our customers to ensure their satisfaction with our Hyperbaric Oxygen Chamber product.

**Why choose this hyperbaric chamber?**

**1. Remarkable therapeutic effect:**

**For hypoxic diseases:** Hyperbaric oxygen chamber can significantly increase the oxygen content in the blood by providing a high concentration of oxygen environment, thus effectively improving a series of symptoms caused by ischemia and hypoxia. For patients with carbon monoxide poisoning, arteriosclerosis, cerebral hemorrhage, decompression sickness, etc., hyperbaric oxygen therapy can rapidly replace carbon monoxide in the body, restore the oxygen-carrying capacity of hemoglobin, or accelerate the dissolution of nitrogen bubbles in the body, relieving the symptoms of pain and damage to the nervous system.

**Promotion of rehabilitation:** Hyperbaric oxygen chambers are able to accelerate the trauma repair and rehabilitation process during treatment. For example, for patients with cerebrovascular diseases, hyperbaric oxygen helps to improve blood supply to the brain and promote the recovery of neurological functions; for chronic wounds that do not heal, such as diabetic foot and bedsores, hyperbaric oxygen can promote blood circulation and accelerate wound healing. These effects are reflected in several cases, proving the important role of hyperbaric oxygen chamber in rehabilitation treatment.

**2. Wide range of application:**

The scope of application of hyperbaric oxygen chamber is very wide, covering almost all the diseases related to hypoxia and ischemia. From acute carbon monoxide poisoning, drowning, etc., to chronic cerebrovascular disease, arteriosclerosis, etc., hyperbaric oxygen therapy can play its unique role. In addition, hyperbaric oxygen chamber is also suitable for the treatment of patients with decompression sickness, craniocerebral injury, postoperative brain tumor, etc., which can effectively improve the prognosis and quality of life of patients.

**SPORT & RECOVERY**

Hyperbaric Oxygen Therapy is more and more favored by famous athletes all over the world, and they are also a necessary for some sports gyms for helping people recovery faster from hard training.

**BEAUTY & ANTI-AGING**

HBOT has been a growing choice of many top actors, actresses, and models, hyperbaric oxygen therapy may be the proverbial "fountain of youth." HBOT promotes cell repair, age spots, saggy skin, wrinkles, poor collagen structure, and skin cell damage by increasing circulation to the most peripheral areas of the body, which is your skin.

**CLINICAL**

Your body's tissues need an adequate supply of oxygen to function. When tissue is injured, it requires even more oxygen to survive. Hyperbaric oxygen therapy increases the amount of oxygen your blood can carry. Hyperbaric oxygen therapy for ligament damage, copd, anxiety.

**HOME CARE**

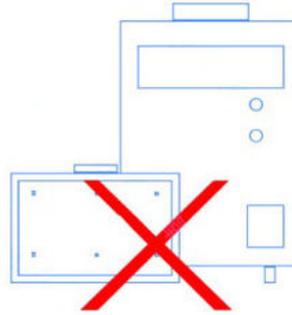

For some patients who need long-term hyperbaric oxygen therapy and some sub-healthy people, our suggestion is that they buy hyperbaric oxygen chambers for treatment at home.

# INTEGRATION OF SUPERCHARGING AND OXYGENATION

Overturn the complexity of traditional household

New hyperbaric oxygen equipment

Oxygen equipment  
+  
air power system  
+  
Air Cooler

Intelligent All in one machine , no need to operate three devices,  
easy one-button operation saves time and effort.

#### WHY CHOOSE US

##### Enterprise core competence

##### Supply Support

We have passed CE ISO TUV international product quality system certification, and can provide you with the best technical solution for the oxygen generator.

##### OEM/ODM Technical Support

We provide commission services and professional technical support for any customers who send us samples of the products. We will design and develop better ones based on the samples. For every customer, we will choose the best fit material and also innovative material for their products.

##### Service Team

We have a professional customer service team, 24\*7 service all day. Able to efficiently, quickly and professionally solve any customer problems.

##### Quality Safety

We own professional quality management and process inspection team, including incoming inspection, semi-finished product inspection, finished product inspection and pre-delivery inspection, your satisfaction will be our honor.

##### Professional Registration Department

Olwe have an special professional registration department, which is charge of domestic registration and overseas registration. We can help our current or potential customers to do the registration work. We have a good relation with domestic famous institute who can provide us with authoritative medical analysis and authorization report.

##### ONE Stop Supplier

We are a ONE stop supplier, we provide the accessories, device service and even installation.

If you have any questions or would like to know more about our products, please contact us!
