Basic Information

- Place of Origin: SHENZHEN EMENG HEALTH
- Brand Name: O2EMENG
- Certification: CE/FDA/FC/ROHS/UKCA/SGS
- Model Number: EMS03
- Minimum Order Quantity: 1PC
- Price: \$3750
- Packaging Details: wooden packing
- Delivery Time: 15-20 work days
- Payment Terms: D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100PCS

Product Specification

- Oxygen Concentration: $\geq 90\%$ (can Be Set)
- Noise Level: Less Than 63 DB
- Machine CTN Size: 127*55*105cm
- Total Weight: 83kgs
- Working Pressure: 1.3-1.5ATA (can Be Set)
- Properties: Rehabilitation Therapy Supplies
- Usage: Medical/Therapeutic
- Pressure Reduction Time: 5-10 Mins
- Highlight: **Therapeutic Hyperbaric Chamber Machine, Quiet Hyperbaric Chamber Machine, Therapeutic Quiet Hyperbaric Chamber**

Product Description

O2EMENG Quiet Hyperbaric Chamber Machine Therapeutic Rehabilitation Supplies Noise Level Less Than 63 DB

Product Description:

This compression chamber for hyperbaric oxygen therapy is designed to provide patients with a comfortable and safe environment for oxygen therapy. The chamber features a pressure reduction time of 5-10 minutes, which allows for easy and safe operation.

The Hyperbaric Oxygen Chamber is designed for medical and therapeutic use. It is ideal for patients who are looking for a non-invasive way to improve their health and well-being. The chamber is easy to use and can be set to provide an oxygen concentration of 90% or higher, depending on the patient's needs.

The Hyperbaric Oxygen Chamber is a hyperbaric pressure chamber that is designed to provide patients with a comfortable and safe environment for oxygen therapy. The chamber is made of durable materials and is designed to be easy to use. It is ideal for patients who are looking for a non-invasive way to improve their health and well-being.

Overall, the Hyperbaric Oxygen Chamber is a high-quality product that is designed to provide patients with a safe and effective way to receive hyperbaric oxygen therapy. It is easy to use, durable, and provides excellent results. If you are looking for a hyperbaric pressure chamber for your medical or therapeutic needs, the Hyperbaric Oxygen Chamber is an excellent choice.

Features:

Product Name: Hyperbaric Oxygen Chamber

Usage: Medical/Therapeutic

Model: EMS03

Noise Level: Less Than 63 DB

Total Weight: 83kgs

Properties: Rehabilitation Therapy Supplies

Technical Parameters:

Model	EMS03
Pressure reduction time	5-10 Mins
Machine CTN size	127*55*105cm
Working pressure	1.3-1.5ATA (can Be Set)
Properties	Rehabilitation Therapy Supplies
Usage	Medical/Therapeutic
Total Weight	83kgs
Function	Hyperbaric Oxygen Therapy
Noise Level	Less Than 63 DB
Oxygen concentration	≥90%(can Be Set)

Applications:

Hyperbaric Oxygen Therapy (HBOT) is a well-known treatment for various medical conditions. The EMS03 model is specifically designed to provide a comfortable and effective therapy experience. It is a compression chamber for hyperbaric oxygen therapy that can safely and effectively deliver 100% pure oxygen to patients.

The O2EMENG EMS03 Hyperbaric Oxygen Chamber is suitable for a wide range of medical conditions, including but not limited to:

- Non-healing wounds and ulcers
- Burn injuries
- Carbon monoxide poisoning
- Crush injuries and compartment syndrome
- Decompression sickness
- Gas gangrene
- Infections
- Multiple sclerosis

Stroke
Autism
And many more

The O2EMENG EMS03 Hyperbaric Oxygen Chamber is a high-quality medical device with a total weight of 83kgs and a machine CTN size of 127*55*105cm. It is designed to be user-friendly, with easy-to-use controls, and has a noise level of less than 63 DB, ensuring a comfortable and quiet therapy experience.

Overall, the O2EMENG EMS03 Hyperbaric Oxygen Chamber is a top choice for anyone in need of hyperbaric oxygen therapy. Whether you are a patient or a healthcare professional, this HBOT chamber is sure to exceed your expectations in terms of quality, functionality, and ease of use.

Support and Services:

The Hyperbaric Oxygen Chamber product comes with comprehensive technical support and services to ensure that you get the most out of your investment. Our team of experienced technicians and engineers are available to provide support and assistance whenever you need it.

Our technical support services include:

- 1.Demand customization:** according to your use environment and expectations, recommend the optimal core products and life aesthetics composition scheme.
- 2.Exclusive design:** the advanced technology team and the top design team jointly, from the size and color material matching, the actual program customization landing.
- 3. Craftsmanship Manufacturing:** The core components and other materials of hyperbaric chamber series products are manufactured in aerospace material factories.
- 4. Lifetime maintenance:** provide perfect professional after-sales service guarantee

At Hyperbaric Oxygen Chamber, we are committed to providing the highest level of support and service to our customers. Contact us today to learn more about our technical support and services.

The Use of Hyperbaric Oxygen Chamber

Always prepare at home, say goodbye to sub-health

WHY CHOOSE US

Enterprise core competence

Supply Support

We have passed CE ISO TUV international product quality system certification, and can provide you with the final technical solution for the oxygen generator

OEM/ODM Technical Support

We provide complete services and professional technical support for any customers who send us samples of the products, we will design and develop better ones based on the samples. For every customer we will choose the best fit material and also innovative material for their products.

Service Team

We have a professional customer service team, 24*7 service all day. Able to efficiently, quickly and professionally solve any customer problems

Quality Safety

We own professional quality management and process inspection team including incoming inspection semi-finished products inspection finished product's inspection and pre-delivery inspection your satisfaction will be our honor

Professional Registration Department

One have an special professional registration department, which in charge of domestic, registration and overseas registration. We can help our current or potential customers to do the registration work. We have a good relation with domestic famous institute who can provide us with authoritative medical analysis and authorization report.

ONE Stop Supplier

We are a ONE stop supplier, we provide the end-to-end, service service and even solutions
