

Quiet and Comfortable Hyperbaric Chamber EMS01 for Medical Oxygen Therapy

Our Product Introduction

For products please visit us on oxygenconcentratormedical.com

Basic Information

- Place of Origin: SHENZHEN EMENG HEALTH
- Brand Name: O2EMENG
- Certification: CE/FDA/FC/ROHS/UKCA/SGS
- Model Number: EMS01
- Minimum Order Quantity: 1PC
- Price: \$3750
- Packaging Details: wooden packing
- Delivery Time: 15-20 work days
- Payment Terms: D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100PCS

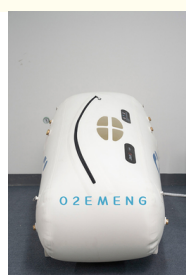

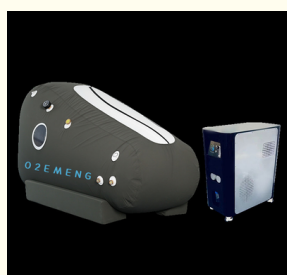

Product Specification

- Noise Level: Less Than 63 DB
- Usage: Medical/Therapeutic
- Machine CTN Size: 127*55*105cm
- Properties: Rehabilitation Therapy Supplies
- Model: EMS01
- Working Pressure: 1.3-1.5ATA (can Be Set)
- Total Weight: 83kgs
- Oxygen Concentration: $\geq 90\%$ (can Be Set)
- Highlight: quiet hyperbaric oxygen chamber,
quiet oxygen hyperbaric chamber,
medical hyperbaric oxygen chamber

Product Description

Quiet and Comfortable Hyperbaric Chamber EMS01 for Medical Oxygen Therapy

Product Description:

The EMS01 model offers an oxygen concentration of at least 90%, which can be set to the user's preference. This means that you can enjoy a high level of oxygen purity during your therapy sessions, which can help to improve your overall health and well-being. The hyperbaric pressure chamber is also designed to be very quiet, with a noise level of less than 63 DB, so you can enjoy your therapy sessions in peace and quiet.

With the EMS01 Hyperbaric Oxygen Chamber, you can experience the many benefits of hyperbaric oxygen therapy. This therapy has been shown to help improve circulation, reduce inflammation, enhance the immune system, and promote healing. It can be used to treat a variety of conditions, including chronic pain, sports injuries, and even certain types of cancer.

The EMS01 Hyperbaric Oxygen Chamber is also very easy to use. It features a user-friendly control panel that allows you to adjust the oxygen concentration and other settings to your liking. The chamber is also very spacious, so you can enjoy your therapy sessions in comfort. It is made from high-quality materials and is designed to be very durable, so you can enjoy many years of use from this product.

If you are looking for a reliable and effective oxygen therapy chamber, the EMS01 Hyperbaric Oxygen Chamber is an excellent choice. It is a top-of-the-line product that is designed to provide you with the best possible results. So why wait? Order your hyperbaric pressure chamber today and start experiencing the many benefits of hyperbaric oxygen therapy!

Key features:

Model: EMS01

Oxygen concentration: $\geq 90\%$ (can Be Set)

Function: Hyperbaric Oxygen Therapy

Noise Level: Less Than 63 DB

Properties: Rehabilitation Therapy Supplies

Keywords: Oxygen therapy chamber, HBOT chamber, Hyperbaric pressure chamber

Technical Parameters:

| Product Attribute | Value |
|----------------------|---------------------------------|
| Oxygen concentration | $\geq 90\%$ (can be set) |
| Total Weight | 83kgs |
| Noise Level | Less than 63 DB |
| Properties | Rehabilitation Therapy Supplies |
| Usage | Medical/Therapeutic |
| Function | Hyperbaric Oxygen Therapy |
| Machine CTN size | 127*55*105cm |
| Working pressure | 1.3-1.5ATA (can be set) |
| Model | EMS01 |

Applications:

The EMS01 model is engineered to offer a range of benefits across a wide variety of medical and therapeutic applications. The machine's working pressure can be set to a range of 1.3-1.5ATA, which makes it ideal for use in the treatment of a range of conditions, including autism, cerebral palsy, and stroke. Additionally, the hyperbaric oxygen therapy unit is highly effective in treating wounds that are slow to heal, as well as a range of other medical conditions.

The O2EMENG EMS01 hyperbaric oxygen therapy unit is suitable for use in a wide range of medical and therapeutic scenarios. It is a popular choice among doctors and healthcare professionals who are looking to provide the most effective hyperbaric oxygen therapy to their patients. The machine's CTN size of 127*55*105cm makes it easy to transport and store, while its high-quality construction ensures that it is built to last.

Overall, the O2EMENG EMS01 hyperbaric oxygen therapy unit is a versatile and effective product that provides a range of benefits across a wide variety of medical and therapeutic applications. Whether you are looking to treat wounds that are slow to heal, or are looking to provide an immersive and effective hyperbaric oxygen therapy experience to your patients, this hyperbaric pressure chamber is the ideal choice.

Advantage:

HIGHLY ADJUSTABLE OXYGEN CONCENTRATION: The O2EMENG provides adjustable oxygen concentration to ensure that the user can set and maintain a minimum of 90% oxygen concentration for different needs and to adapt to different high pressure environment requirements.

Rapid Decompression: The design of the O2EMENG allows for rapid pressure reduction within 5-10 minutes, helping the user to quickly adapt to changes in the hyperbaric environment and minimizing discomfort and stress reactions.

Intelligent Dual Screen Control System: The O2EMENG is equipped with a dual screen intelligent control system that provides an intuitive and efficient user interface that allows the user to easily control and monitor the unit's operating status and setup parameters.

QUALITY MATERIALS AND DESIGN: Made of medical grade TPU material and equipped with YKK medical grade zippers imported from Japan to ensure the durability and safety of the product. Meanwhile, the metal bracket and customizable shell color enhance the practicality and aesthetics of the product.

These advantages make the O2EMENG a safe and reliable choice for intelligent and convenient operation in high-pressure environments, providing efficient oxygen supply, suitable for users who enter high-pressure environments for long periods of time or frequently, providing users with a comfortable and safe experience.

Support and Services:

The Hyperbaric Oxygen Chamber product comes with comprehensive technical support and services to ensure that you get the most out of your investment. Our team of experienced technicians and engineers are available to provide support and assistance whenever you need it.

Our technical support services include:

1.Demand customization: according to your use environment and expectations, recommend the optimal core products and life aesthetics composition scheme.

2.Exclusive design: the advanced technology team and the top design team jointly, from the size and color material matching, the actual program customization landing.

3. Craftsmanship Manufacturing: The core components and other materials of hyperbaric chamber series products are manufactured in aerospace material factories.

4. Lifetime maintenance: provide perfect professional after-sales service guarantee

At Hyperbaric Oxygen Chamber, we are committed to providing the highest level of support and service to our customers. Contact us today to learn more about our technical support and services.

YILONG

HANGZHOU YILONG MEDICAL EQUIPMENT CO.,LTD

Supercharged Oxygen

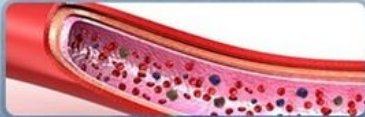

Increase the partial pressure of oxygen in the body.
The hyperbaric chamber can be raised to 30kpa.

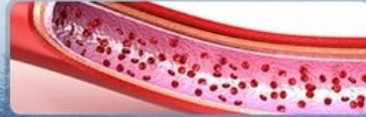

Increase blood oxygen saturation.
Oxygen intake is equivalent to more than 2 times that of normal breathing.

Increase the oxygen diffusion distance in the body.
Use the flow of lymph to increase blood flow.

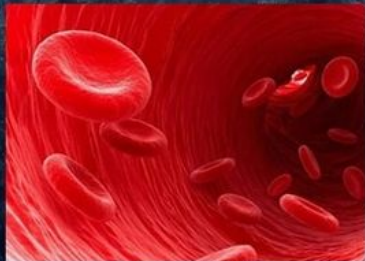

The blood vessel circulation in the human body under normal atmospheric pressure. Various factors impede flow.

Hyperbaric oxygen chamber speeds up human blood vessel circulation, promote blood flow.

Increases the partial pressure of oxygen in the blood, and improves the vascular transport and terminal arrival of oxygen.

Atmospheric Oxygen

At standard atmospheric pressure, blood vessels contain oxygen (atmospheric oxygen)

Supercharged Oxygen

In a hyperbaric oxygen environment, the blood vessels contain oxygen (high concentrations of oxygen)

SPORT & RECOVERY

Hyperbaric Oxygen Therapy is more and more favored by famous athletes all over the world, and they are also a necessary for some sports gyms for helping people recovery faster from hard training.

BEAUTY & ANTI-AGING

HBOT has been a growing choice of many top actors, actresses, and models, hyperbaric oxygen therapy may be the proverbial "fountain of youth." HBOT promotes cell repair, age spots, saggy skin, wrinkles, poor collagen structure, and skin cell damage by increasing circulation to the most peripheral areas of the body, which is your skin.

CLINICAL

Your body's tissues need an adequate supply of oxygen to function. When tissue is injured, it requires even more oxygen to survive. Hyperbaric oxygen therapy increases the amount of oxygen your blood can carry. Hyperbaric oxygen therapy for ligament damage, copd, anxiety.

HOME CARE

For some patients who need long-term hyperbaric oxygen therapy and some sub-healthy people, our suggestion is that they buy hyperbaric oxygen chambers for treatment at home.

WHY CHOOSE US

Enterprise core competence

Supply Support

We have passed CE (ISO 13485) international product quality system certification, and can provide you with the final technical solution for the oxygen generator.

OEM/ODM Technical Support

We provide OEM/ODM services and professional technical support for any customers who send us samples of the products. We will design and develop better ones based on the samples. For every customer, we will choose the best fit material and also innovative material for their products.

Service Team

We have a professional customer service team, 24*7 service all day. Able to efficiently, quickly and professionally solve any customer problems.

Quality Safety

We own professional quality management and process inspection team including incoming inspection, semi-finished products inspection, finished product inspection and pre-delivery inspection. Your satisfaction will be our honor.

Professional Registration Department

Olive has a special professional registration department, which is in charge of domestic registration and overseas registration. We can help our current or potential customers to do the registration work. We have a good relation with domestic famous institute who can provide us with authoritative medical analysis and authorization report.

ONE Stop Supplier

We are a ONE stop supplier, we provide the accessories, devices service and even installation.
